

HELMET SMART CAMPAIGN

The City of Geneva Police Department along with the City of Geneva Fire Department and Northwest Ambulance District is kicking off their Helmet Smart Campaign. During the summer if your child is seen wearing a bicycle helmet do not be surprised if they get approached by a member of our Safety Forces and rewarded with a drawstring backpack and a certificate acknowledging them as a helmet smart rider!

This Campaign is made possible by the following community members whose generous contributions made it possible for our Departments to participate in the AAA Helmet Smart Campaign and reward your child for wearing a helmet:
