

**CITY OF GENEVA
NATUREWORKS GRANT
QUESTIONNAIRE**

The City of Geneva intends to apply to the Ohio Department of Natural Resources (ODNR) NatureWorks Grant for improvements at Memorial Field. As part of the City's goal to improve the park for residents, the City in partnership with local organizations and volunteers has added a playground and dog park to the park and removed the fence to make the park more inviting and accessible to residents. Thursday night Movie Night with activities, games and art has been well attended.

The project being considered for the NatureWorks Grant is the renovation of the public restrooms.

Please respond to the following survey:

Do you currently frequent Memorial Field Park? _____ yes _____ no

**How often do you or your family members frequent the Park? _____ monthly
_____ weekly**

Please rate the need for renovated restrooms at the park on a scale of 1 to 5, 1 being the highest priority.

Priority: _____ 1 _____ 2 _____ 3 _____ 4 _____ 5

Are there other suggestions that you would like to make?

Your assistance is greatly appreciated.
