## RENTAL RATES FOR SINGLE OCCASION USAGE

Due to the fact that we have had some people concerned about decorating

for their event on the day of their event, and wanting to be able to come in earlier.

You also have the option of purchasing the day before for an additional **\$175.00 in  
Conjunction with your Wedding Reception.**

This will give you roughly six (6) to eight (8) hours to set up your event. You may possibly have your time split between morning and evening hours due to the availability of the staff.

Also if your are having a Friday reception and purchasing Thursday for your set up you can not bring any food in that has to be refrigerated before 2:00 p.m.

\*\*\*NOTE until further notice if you are having a Friday reception, the Thursday before cannot be used due to the church renting it for their Thursday service.\*\*\*
